Let's Talk Bristol Training Programme

FREE TRAINING FOR EARLY YEARS PROVIDERS:

Supporting Multilingual Children and Families Toolkit

As a part of their ongoing commitment to supporting multilingual children and families BEL (Bristol Early Language) are delighted to work in partnership with the Early Years Alliance to provide you with access to the Supporting Multilingual Children and Families toolkit and exclusive training package.

Welcome to your Supporting Multilingual Children and Families Toolkit

Join us for this session to introduce the new EAL toolkit and explore how it can support you and your families. In this session we will take a tour through the toolkit and the accompanying resources that are designed to be used either in your provision or in the home learning environment.

Supporting children for whom English is an additional language

Taking the four overarching principles of the Early Years Foundation Stage as the focus this virtual classroom session will cover:

- How settings can support children with English as an additional language (EAL)
- How settings can develop effective practice to best meet the needs of a multi-lingual cohort

Places are limited to one per setting. Certificates of attendance will be available after the session.
